AN ACT relating to dogs and the protection of live stock and poultry from damage by dogs; providing for the licensing of dogs; regulating the keeping of dogs, and authorizing their destruction in certain cases; providing for the determination and payment of damages done by dogs to live stock and poultry; imposing powers and duties on certain state, county, city and township officers and employees, and to repeal Act No. 347 of the Public Acts of 1917, and providing penalties for the violation of this act.

The People of the State of Michigan enact:

287.261 Short title; definitions.
Sec. 1. (1) This act shall be known and may be cited as the “dog law of 1919”.
(2) For the purpose of this act:
(a) “Livestock” means horses, stallions, colts, geldings, mares, sheep, rams, lambs, bulls, bullocks, steers, heifers, cows, calves, mules, jacks, jennets, burros, goats, kids and swine, and fur-bearing animals being raised in captivity.
(b) “Poultry” means all domestic fowl, ornamental birds, and game birds possessed or being reared under authority of a breeder's license pursuant to part 427 (breeders and dealers) of the natural resources and environmental protection act, Act No. 451 of the Public Acts of 1994, being sections 324.42701 to 324.42714 of the Michigan Compiled Laws.
(c) “Owner” when applied to the proprietorship of a dog means every person having a right of property in the dog, and every person who keeps or harbors the dog or has it in his care, and every person who permits the dog to remain on or about any premises occupied by him.
(d) “Kennel” means any establishment wherein or whereon dogs are kept for the purpose of breeding, sale, or sporting purposes.
(e) “Law enforcement officer” means any person employed or elected by the people of the state, or by any municipality, county, or township, whose duty it is to preserve peace or to make arrests or to enforce the law, and includes conservation officers and members of the state police.
(f) “Hunting” means allowing a dog to range freely within sight or sound of its owner while in the course of hunting legal game or an unprotected animal.

287.262 Dogs; licensing, tags, leashes.
Sec. 2. It shall be unlawful for any person to own any dog 6 months old or over, unless the dog is licensed as hereinafter provided, or to own any dog 6 months old or over that does not at all times wear a collar with a tag approved by the director of agriculture, attached as hereinafter provided, except when engaged in lawful hunting accompanied by its owner or custodian; or for any owner of any female dog to permit the female dog to go beyond the premises of such owner when she is in heat, unless the female dog is held properly in leash; or for any person except the owner or authorized agent, to remove any license tag from a dog; or for any owner to allow any dog, except working dogs such as leader dogs, guard dogs, farm dogs, hunting dogs, and other such dogs, when accompanied by their owner or his authorized agent, while actively engaged in activities for which such dogs are trained, to stray unless held properly in leash.

Compiler's note: The repealed section pertained to confinement of dog at night.

287.264 Supervision and enforcement.
Sec. 4. The state livestock sanitary commission shall have the general supervision over the licensing and regulation of dogs and the protection of livestock and poultry from dogs, and may employ all proper means for the enforcement of this act and all police officers of the state, county, municipality or township shall be at its disposal for that purpose. An animal control officer or a law enforcement officer of the state shall issue a citation, summons or appearance ticket for a violation of this act.
287.265 Tags, blanks and license forms.
Sec. 5. It shall be the duty of the state live stock sanitary commission to purchase from time to time, as
may be necessary, a sufficient number of tags for the state of Michigan, which tags shall be purchased from
such commission by the treasurers of the counties as the same may be needed to comply with the provisions
of this act. Such tags shall be sold at cost to the said treasurers. The state treasurer is hereby authorized to
advance to the said commission, out of any funds of the state, such sum of money as may be necessary from
time to time to pay for the tags so purchased by the state live stock sanitary commission, which sum shall be
repaid to the state treasurer from the money collected from the county treasurers in payment for the tags. The
said commission is hereby authorized to extend 30 days’ credit to any county treasurer for tags so purchased.
The commission shall also furnish to each county treasurer, on or before November fifteenth of each year, a
book containing proper forms for issuing dog licenses required in his county, together with the necessary
blanks for the use of the supervisors and assessors of such county; such books and blanks shall be furnished to
said commission by the board of state auditors without cost to said commission. The tags required by this act
shall be not more than 1 1/2 inches in length and uniform in shape throughout the state, the general shape of
which shall be changed from year to year; such tags shall have impressed upon them the calendar year for
which they are issued and shall bear the name of the county issuing them and shall be numbered consecutively.

287.266 Dog licenses; application; resolution; provisions; proof of vaccination.
Sec. 6. (1) The owner of a dog that is 4 or more months old shall apply to the treasurer of the county or,
except as provided in section 14, the treasurer of the township or city where the owner resides, or to the
treasurer's authorized agent, for a license for each dog owned or kept by him or her.
(2) Unless the county board of commissioners adopts a resolution under subsection (3), the owner shall
apply for a license annually on or before March 1.
(3) The county board of commissioners of a county may adopt a resolution during the 60-day period before
the beginning of the county’s fiscal year providing when the owner of a dog that is required to be licensed
under subsection (1) must apply for a license. Before adopting the resolution, the county board of
commissioners shall obtain the county treasurer’s written approval of the resolution. Subject to subsection (4),
the resolution shall provide for 1 of the following:
(a) That the owner apply for a license by March 1 every year or every third year, at the owner's option.
(b) That the owner apply for a license by June 1 every year.
(c) That the owner apply for a license by June 1 every year or every third year, at the owner's option.
(d) That the owner apply for a license by the last day of the month of the dog’s current rabies vaccination,
every year.
(e) That the owner apply for a license by the last day of the month of the dog’s current rabies vaccination,
every third year.
(f) That the owner apply for a license by 1 of the following, at the owner's option:
(i) The last day of the month of the dog’s current rabies vaccination every year.
(ii) The last day of the month of the dog’s current rabies vaccination, every third year.
(4) A resolution adopted under subsection (3) shall include necessary provisions for conversion to a new
licensing schedule. The resolution may extend the effective period of outstanding licenses but shall not
shorten the effective period of outstanding licenses or prorate license fees.
(5) The application shall state the breed, sex, age, color, and markings of the dog, and the name and
address of the last previous owner. The application for a license shall be accompanied by a valid certificate of
a current vaccination for rabies, with a vaccine licensed by the United States department of agriculture, signed
by an accredited veterinarian. The certificate for vaccination for rabies shall state the month and year of
expiration for the rabies vaccination, in the veterinarian's opinion. A license shall not be issued under
subsection (3)(d), (e), or (f) if the dog’s current rabies vaccination will expire more than 1 month before the
date on which that license would expire. When applying for a license, the owner shall pay the license fee
provided for in the county budget. The county board of commissioners may set license fees in the county
budget at a level sufficient to pay all the county's expenses of administering this act as it pertains to dogs. For
a spayed or neutered dog, the license fee, if any, shall be set lower than the license fee for a dog that is not
spayed or neutered. In addition, the license fee may be set higher for a delinquent application than for a timely
application.
(6) If a dog is licensed before it becomes 5 months old and is subsequently spayed or neutered before it becomes 7 months old, the owner of the dog may exchange the license for a license for a spayed or neutered dog and receive a refund for the difference in the cost of the licenses. The owner shall exchange the license before the dog becomes 7 months old.

(7) Subsection (6) applies in a county only if the county board of commissioners adopts a resolution to that effect during the 60-day period before the beginning of the county's fiscal year. Before adopting the resolution, the county board of commissioners shall obtain the county treasurer's written approval of the resolution.

(8) The owner of a dog that is required to be licensed under this section shall keep the dog currently vaccinated against rabies by an accredited veterinarian with a vaccine licensed by the United States department of agriculture.

Compiler's note: The repealed section pertained to proof of vaccination for rabies.

287.267 Dog license; tag, approval; kept on dog.

Sec. 7. The county treasurer shall then deliver to said owner a license and also 1 of the tags approved by the director of agriculture, before mentioned, such tag to be affixed to a substantial collar to be furnished by the owner, which with the tag attached, shall at all times be kept on the dog for which the license is issued, except when such dog is engaged in lawful hunting accompanied by its owner or custodian.

287.268 Dog license; unlicensed and young dogs; application; fee after certain date.

Sec. 8. A person who becomes owner of a dog that is 4 or more months old and that is not already licensed shall apply for a license within 30 days. A person who owns a dog that will become 4 months old and that is not already licensed shall apply for a license within 30 days after the dog becomes 4 months old. In a county in which section 6(2) or section 6(3)(a) applies, if a person applies for an annual license under this subsection after July 10 of a calendar year, the license fee shall be 1/2 the fee provided for under section 6.

287.269 Dog license; contents.

Sec. 9. Each dog license issued under this act shall display all of the following:

Subject to section 6(4), the expiration date of a license issued under section 6(3)(d), (e), or (f) shall be the earlier of the following:

(i) One year or 3 years, as applicable, after the date on which the license was required to be obtained.

(ii) The expiration date of the dog's rabies vaccination.

(b) A serial number corresponding to the number on the metal tag furnished to the owner.

(c) The name of the county issuing the license.

(d) A full description of the dog licensed.

287.269a Production of proof of license.

Sec. 9a. A person who owns or harbors a dog shall produce proof of a valid dog license upon request of a person who is authorized to enforce this act.

287.270 "Kennel" defined; kennel license; fee; tags; certificate; rules; inspection; exception.

Sec. 10. For the purposes of this act, a kennel shall be construed as an establishment wherein or whereon 3 or more dogs are confined and kept for sale, boarding, breeding or training purposes, for remuneration, and a
kennel facility shall be so constructed as to prevent the public or stray dogs from obtaining entrance thereto and gaining contact with dogs lodged in the kennel. Any person who keeps or operates a kennel may, in lieu of individual license required under this act, apply to the county treasurer for a kennel license entitling him to keep or operate a kennel. Proof of vaccination of dogs against rabies shall not be required with the application. The license shall be issued by the county treasurer on a form prepared and supplied by the director of the department of agriculture, and shall entitle the licensee to keep any number of dogs 6 months old or over not at any time exceeding a certain number to be specified in the license. The fee to be paid for a kennel license shall be $10.00 for 10 dogs or less, and $25.00 for more than 10 dogs. A fee of double the original license fee shall be charged for each previously licensed kennel, whose kennel license is applied for after June 1. With each kennel license the county treasurer shall issue a number of metal tags equal to the number of dogs authorized to be kept in the kennel. All the tags shall bear the name of the county issuing it, the number of the kennel license, and shall be readily distinguishable from the individual license tags for the same year.

The county treasurer or county animal control officer shall not issue a kennel license for a new kennel under the provisions of this act unless the applicant furnishes an inspection certificate signed by the director of the department of agriculture, or his authorized representative, stating that the kennel to be covered by the license complies with the reasonable sanitary requirements of the department of agriculture, and that the dogs therein are properly fed and protected from exposure commensurate with the breed of the dog. The director of the department of agriculture shall promulgate reasonable rules with respect to the inspections in the manner prescribed by law. The inspection shall be made not more than 30 days before filing the application for license. The provisions of this act shall not be effective in the counties of this state that are operating under the provisions of section 16 wherein the board of supervisors have appointed a county animal control officer with certain powers and duties, unless the counties by a resolution duly adopted by the board of supervisors accept the provisions of this act.

Compiler's note: The repealed section pertained to vaccination of dog sold by licensed kennel.

287.270b Kennel licensing ordinance.

Sec. 10b. Any city, township or village having in its employment a full-time animal control officer may adopt an ordinance providing for the issuance of kennel licenses by the animal control officer on the same terms, conditions and fees as is provided in section 10. Upon the adoption of the ordinance the city, township or village shall be excepted from the provisions of sections 10 and 11 of this act.

287.271 Rules governing kennel dogs.

Sec. 11. The licensee of a kennel shall, at all times, keep 1 of such tags attached to a collar on each dog 4 months old or over kept by him under a kennel license. No dog bearing a kennel tag shall be permitted to stray or be taken anywhere outside the limits of the kennel. 287.272 Lost tags.

Sec. 12. If any dog tag is lost, it shall be replaced without cost by the county treasurer, upon application by the owner of the dog, and upon production of such license and a sworn statement of the facts regarding the loss of such tag.

287.273 License and tag; transferability.

Whenever the ownership or possession of any dog is permanently transferred from 1 person to another within the same county, the license of such dog may be likewise transferred, upon notice given to the county treasurer who shall note such transfer upon his record. This act does not require the procurement of a new license, or the
287.274 Application for license blanks and tags; issuance of dog licenses and tags; fee; return of unused tags, books, and receipts; contents of receipt; paying over money; resolution providing that clerk perform duties of treasurer.

Every township or city treasurer shall receive for the services of licensing dogs a reasonable fee at a rate determined by the county board of commissioners for each dog license issued.

(2) Each township or city treasurer shall not later than March 1 each year, or June 1 each year for a county operating under section 6(3)(b) or (c), return to the county treasurer all unused tags, and the book or books from which dog licenses have been issued, containing receipts properly filled out, and showing the name of the person issued each license and the number of each license issued and a full description of each dog licensed. (3) A city may, by resolution of its legislative body, provide that its clerk shall perform the duties by this act imposed on the treasurer. Upon the adoption of the resolution, the treasurer of a city is not required to issue licenses under this act but the clerk of the city shall perform, in the manner and under the terms and conditions, with the same compensation, all of the duties imposed upon city treasurers by this act.

(4) A township treasurer, city treasurer, or city clerk may enter an agreement with the county treasurer for the county treasurer to perform the duties of the township treasurer, city treasurer, or city clerk under this act.
