**If you have questions about any step in the process, refer to pages 3 through 5 of this booklet for details. You can also get help from Michigan Legal Help at [www.michiganlegalhelp.org](http://www.michiganlegalhelp.org). You may wish to consult an attorney.**

# INSTRUCTIONS FOR USING FORM JC 66, FILING AND SERVING AN APPLICATION

## »» DEFINITION: Setting Aside an Adjudication

Setting aside one or more adjudications removes the juvenile adjudication(s) under Michigan law from the public record of the Michigan State Police. In terms of criminal law, you are a juvenile until age 17.

## »» FILING AN APPLICATION

### 1. Determine Your Eligibility to Apply

A person who applies to have one or more adjudications made nonpublic must meet certain conditions. To find out if you are eligible, read the following and answer the questions that follow.

- Although not required, it is highly recommended you get a copy of your criminal record from ICHAT at <http://apps.michigan.gov/ICHAT/home.aspx>. There is a cost for this. You can find out from your criminal record whether you have more than one adjudication and for what offense(s) you were adjudicated.
- A petition can have more than one charge on it. If you were adjudicated of more than one charge, you have more than one adjudication. For example, if you were charged with and adjudicated of **Shoplifting** and **Possession of Marijuana** in the same case, you have two adjudications. You can have more than one adjudication set aside as explained below.
- A person may have set aside (1) one adjudication for an offense that would be a felony if committed by an adult and not more than two adjudications for an offense that would be a misdemeanor if committed by an adult or (2) if there is no adjudication for a felony if committed by an adult, not more than three adjudications for an offense that would be a misdemeanor if committed by an adult. If you are seeking to have multiple adjudications set aside that were adjudicated on separate petitions, you may want to consult an attorney for help.
- If you were charged with a crime for which judgment of guilt was deferred and the case was dismissed upon you successfully completing probation, there is no conviction for that offense. A nonpublic record of this is maintained by the Michigan State Police and the courts.

1. Do you have a federal conviction?  Yes  No
2. Do you have a criminal conviction in another state?  Yes  No
3. Do you have an adult felony criminal conviction in Michigan, excluding those for which judgment of guilt was deferred?  Yes  No
4. Were you adjudicated for an offense that if committed by an adult would be a felony for which the maximum punishment is life imprisonment?  Yes  No
5. Were you adjudicated of a specified juvenile violation as defined in MCL 712A.2d(9)?  Yes  No
6. Is the adjudication you want to have set aside a felony or misdemeanor traffic offense? A traffic offense is an adjudication for violating the Michigan Vehicle Code or a local ordinance substantially corresponding to that act that involves the operation of a vehicle.  Yes  No
7. Are you less than 18 years of age?  Yes  No
8. Has it been less than one year since the date of the disposition for your adjudication, or if you were detained, has it been less than one year since you were released?  Yes  No

If all the above questions are checked **no**, you may be eligible to have your adjudication(s) set aside.

If any box is checked yes, you are not eligible to have your Michigan adjudication(s) set aside. If you are unsure if you are eligible, you should consult an attorney.

## **2. Do You Need An Attorney?**

In order to apply to make your adjudication(s) nonpublic, you must file an application with the court where the petition was adjudicated. You can either hire an attorney or you can represent yourself. If you can follow all the steps outlined in this packet, you may not need an attorney. However, if after reading this packet and you think you need assistance, you should call an attorney.

If you decide to represent yourself, complete the checklist on page 2 to make sure you have done everything that is required.

## **3. What Does it Cost?**

This can cost you about \$75.00. It costs about \$10.00 to get your criminal record from ICHAT. Some law enforcement agencies may fingerprint you without a charge, but if not, it could cost from \$10.00 to \$25.00. It costs \$10.00 for a certified copy of your adjudication records from the court, plus \$1.00 for each page of that record. It costs \$25.00 for the application fee to the Michigan State Police. If you are filing more than one application (see item 6 below), you will have to pay \$25.00 for each application filed. There may be a cost to have your application notarized by a notary public. There may be a cost for the form if you get it from the court instead of the website.

## **4. Get a Certified Copy of Your Adjudication(s)**

If after reviewing your criminal record you determine you are eligible to apply to have your adjudication(s) set aside, order a certified record of the adjudication(s) from the clerk of the court where you were adjudicated. This record can be either a certified copy of the adjudication(s) or a certified copy of the case history ("Register of Actions"). There is a \$10.00 fee for getting a certified copy of a record plus \$1.00 for every page of that record. There is no fee for filing the application with the court.

## **5. Get Fingerprinted**

Go to the local law enforcement agency for a fingerprint card and to get fingerprinted on the applicant card (R 1-8). There may be a fee for fingerprinting. Fill out the card completely. The Michigan State Police will use this fingerprint card to check your records against its files and those of the Federal Bureau of Investigation. Do not make copies of the fingerprint card because only the Michigan State Police need the card.

## **6. Complete Form JC 66, Application to Set Aside Adjudication**

Complete form JC 66, Application to Set Aside Adjudication, using the information from the certified copy of your adjudication(s) to fill in the blanks. You may apply to have more than one adjudication set aside on the same form only if the offenses were filed together on the same petition. If the offenses were adjudicated on separate petitions, you must complete a separate application form for each petition. Follow the instructions on page 9. Make five copies of the certified copy of your adjudication(s). You will need these later. Do not sign the form until you are in front of a notary public or the clerk of the court. See item 7 below.

## 7. Signing the Application Under Oath

Now that the application (form JC 66) is completed, you must sign your application under oath in front of a notary public (you can find one at a bank) or the clerk of the court. You must bring your photo identification with you when you sign the application. There may be a fee to have your application signed in front of a notary public.

You can either sign one copy of the application form in front of the notary public or the clerk of the court and make five additional copies of the application form later, or you can print and bring all six copies of the completed and unsigned application form to sign in front of the notary public or the clerk of the court.

Generally, it is a good idea to file your application in person with the court. That way, if you have forgotten something or need to change something, you can take care of it right away. Because of this, it is more practical to sign your application in front of the clerk of the court. However, if you decide to sign your application in front of a notary public, you can still file your application packet in person with the court.

## 8. Filing the Application With the Court

File your application with the court where you were adjudicated. **Follow the direction in either 8a or 8b below.** As stated in item 7, it is a good idea to file your application in person with the court, especially if you are filing more than one application at the same time. At the time of filing, the clerk of the court will write the name of the judge assigned to your case on all six copies of your application (form JC 66).

After the court returns the five remaining copies of the application to you, individually staple each of the copies to the five copies of the certified record of adjudication(s) that you kept as directed above. You will need three of these remaining five stapled packets for the Attorney General, the prosecuting official, and the Michigan State Police. See page 6 for details on serving the application packets.

Depending on the local practice of the court, the clerk of the court may set a hearing date at the time of filing. If a hearing date is set at the time of filing, the clerk of the court will complete the **Notice of Hearing** section. You may want to ask the clerk to schedule one hearing for multiple applications. If no hearing date is set at the time of filing, you should contact the court to schedule a hearing date when you receive the report from the Michigan State Police. Ask the court how notice of the hearing will be given to the Attorney General and the prosecuting official.

### 8a Filing in Person

If you signed your application (form JC 66) in front of the clerk of the court, you can file it at the same time. If you signed your application in front of a notary public, you can still file it in person with the clerk of the court. Take all six copies of the application form and all six copies of the certified record of adjudication(s) to the clerk of the court. The clerk of the court will keep one copy of the application and the certified record of the adjudication(s) for the court file and return to you the remaining five copies of both the application and the certified record of adjudication(s).

## 8b Filing by Mail

If you decide to mail your application to the court, mail to the court all six copies of the application form, the certified record of adjudication(s), and one self-addressed, postage-paid envelope. Keep the remaining five copies of your certified record of adjudication(s) in a safe place because you will need them later. The clerk of the court will keep one copy of the application and the certified record of adjudication(s) for the court file and return to you the remaining five copies of the application in the self-addressed envelope that you provided.

### 9. Make Out a Money Order or Check to the State of Michigan for the Application

The application fee is \$25.00, made out to the State of Michigan in the form of a money order or a check. This fee is sent with the application packet to the Michigan State Police for processing.

## »» SERVING THE APPLICATION

### 1. Serve the Application Packet on the Michigan State Police

A copy of the application packet, **application fee** (see item 9), **and the fingerprint card** (see item 5) must be served on (mailed to) the Michigan State Police by first-class mail. The address is:

Michigan State Police  
Criminal Justice Information Center  
PO Box 30634  
Lansing, Michigan 48909

### 2. Serve the Application Packet on the Attorney General

A copy of the application packet must be served on (mailed to) the Attorney General of the State of Michigan by first-class mail. The address is:

Office of the Attorney General  
Corrections Division  
PO Box 30217  
Lansing, Michigan 48909

### 3. Serve the Application Packet on the Prosecuting Official

A copy of the application packet must be served on (mailed to) the prosecuting official by first-class mail. Get the address from the court clerk or see [www.michiganprosecutor.org](http://www.michiganprosecutor.org).

### 4. Fill Out the Proof of Service and File With the Court

You should have two copies of the application packet left. One of these copies is for you to keep for your records. The other copy is for filing proof of service with the court.

On both copies of the application, fill in the **Proof of Service** at the bottom of the form. Write in the date that you mailed the application packets to the prosecuting official, the Attorney General, and the Michigan State Police. Then date and sign the **Proof of Service**.

After you fill out and sign the **Proof of Service**, mail or take one of the remaining application packets with the completed **Proof of Service** to the court. This shows the court that you mailed copies to the prosecuting official, the Attorney General, and the Michigan State Police.

## »» INFORMATION ABOUT THE APPLICATION PROCESS

The Attorney General of the State of Michigan will review your application along with your criminal history report as provided by the Michigan State Police to determine whether you qualify to have your adjudication(s) set aside. The Attorney General is given the opportunity to object to the application at the hearing. The Attorney General may or may not appear at the hearing.

The prosecuting official will review your application and your criminal history record as well and also has the opportunity to object to the application at the hearing. The prosecuting official may or may not appear at the hearing. In addition, the prosecuting official is required to notify the victim of an assaultive crime or serious misdemeanor when an application has been filed to set aside an adjudication of an assaultive crime or serious misdemeanor. The victim has the right to appear at the hearing on the application and to make a written or oral statement.

When the Michigan State Police receives the application, it will prepare a report from its records and the records of the Federal Bureau of Investigation and will send a copy to you and a copy to the court. The report will show: 1) your criminal history, 2) if you have more than one adjudication, 3) if there are any pending charges against you, and 4) whether or not you have previously had an adjudication set aside. **The court cannot hold the hearing on your application until the Michigan State Police has submitted its report to the court.**

## »» PREPARING FOR THE HEARING

Most courts will schedule a hearing date at the time you file the application. The hearing cannot be held until the court receives the Michigan State Police report required by MCL 712A.18e(5). Because it can often take several weeks for the Michigan State Police to prepare the report, it is common for the court to schedule the hearing to be held on a date several months after you file the application. Contact the clerk of the court two days before the scheduled hearing date to make sure the Michigan State Police report has been received and that the hearing will proceed as scheduled and to find out whether to go directly to the courtroom or to check in with the clerk first.

If no hearing date was set by the court when you filed your application packet, you should contact the court to schedule a hearing date when you receive the report from the Michigan State Police. Ask the court how notice of the hearing will be given to the Attorney General and the prosecuting official.

On the hearing date, any of the following may happen:

- The prosecuting official and/or a representative from the Attorney General's office may attend the hearing to object to the application. In that case, the court will hear what each has to say before making its decision.
- If neither the prosecuting official nor a representative of the Attorney General attends the hearing to object to the application, the court will make its decision based on the report from the Michigan State Police and the court's own records, as well as any response that may have been filed on behalf of the Attorney General or the prosecuting official.
- If a charge for which you were adjudicated was an assaultive crime or a serious misdemeanor, and the victim of that crime attends the hearing and/or provides an oral or a written statement, the court will consider that statement before making its decision.

- You will have the opportunity to speak to the court at the hearing. If you do not appear, your application may be dismissed.
- You may be asked to prove to the judge that you deserve to have your adjudication(s) set aside and that you have been rehabilitated. Therefore, you may want to gather evidence to present to the court at the hearing to show that you are a good person and that you have changed since you committed your offense(s). This evidence might be your work history, drug or alcohol treatment, educational achievements, or other successes you have had since your adjudication. Examples of evidence may include resumes, certificates of award, letters of recommendation, school transcripts, and witness affidavits. You may also bring witnesses to court to testify on your behalf.

Bring your copy of the application packet, any evidence you have gathered, and form JC 105 (Order on Application to Set Aside Adjudication) when you go to the court for the hearing.

### »» INFORMATION ABOUT ATTENDING THE HEARING

The hearing will usually take place at the court where the application was filed. Read the notice of hearing to see the date and place of the hearing. It is important for you to arrive at the court on time; if you file an application and are not in court when your case is called, the application may be denied. **Bring the Order on Application to Set Aside Adjudication (form JC 105) with you to the hearing.** Also bring your application packet and any witnesses who are willing to testify.

1. If you are representing yourself, you are expected to conduct yourself as an attorney and to follow the same general rules as an attorney.
2. Make a list of information you think is important for the judge to know. You can use this list as a reminder to bring up the points you think are important.
3. Go to the court on the scheduled day and time. Dress neatly. Arrive 10 or 15 minutes early. Be prepared to spend half a day in court. Bring any witnesses with you.
4. Go to the clerk and tell him/her your name and that you are there for a hearing. Follow the clerk's directions and do not interrupt any hearing in progress.
5. The court will call the case and you will have the opportunity to explain your request to the judge. Be prepared to tell the judge why you think it is in the public's interest to set aside the adjudication(s).
6. When your case is called, go to the front of the courtroom and follow the directions of the judge. Answer the judge's questions clearly and directly. If you brought witnesses and the judge wants to hear from those witnesses, ask them to tell the court what they know about you.
7. The judge will ask the prosecuting official and the representative from the Attorney General's Office, if present, to state any objections.
8. If the judge determines that your circumstances and behavior since the date of your adjudication(s) warrant setting aside the adjudication(s), and that setting aside the adjudication(s) is consistent with the public welfare, the court may enter an order setting aside your adjudication(s).

## »» **GETTING YOUR ORDER**

The court prepares and signs the Order on Application to Set Aside Adjudication, form JC 105, after the hearing. The court will provide you with a copy of the order. Normally, the court will send a copy to the arresting agency and the Michigan State Police. However, you should check with the court clerk to make sure of this. If the court agreed to set aside your adjudication(s), the Michigan State Police will receive a copy of the order setting aside the adjudication(s) and your record will be maintained as nonpublic. If the court denied your request to set aside your adjudication(s), the record will remain public.

## »» **CHECKING YOUR CRIMINAL RECORD**

Thirty days after an order setting aside your adjudication is entered, make sure your record is clear. Check that the record has been updated by searching ICHAT at <http://apps.michigan.gov/ICHAT/home.aspx>. If your record is not clear, contact the Michigan State Police Criminal Records Division at 517-241-0600.
