RE: 2012 Equalization Report

Ladies and Gentlemen:

The Allegan County Equalization Department has prepared the attached report of values within the 24 townships and 9 cities in the county. The values as shown are extracted from the local governmental unit 2012 assessment rolls and have been equalized when necessary to compensate for any inequalities between jurisdictions as is required by Section 211.34 of the Michigan Compiled Laws. As determined through the audit process an equalization reduction adjustment is recommended for the residential property class of Saugatuck Township.

The **2012** values as indicated by this report reflect a 4.77% decrease in equalized value overall when compared to the 2011 values. The total county equalized value projected is **FIVE BILLION, ONE MILLION, THREE HUNDRED SIXY-THREE THOUSAND, TWO HUNDRED FIFTY-FOUR DOLLARS (\$5,001,363,254)**.

I would like to commend the Equalization Department staff and each of the County's Assessing Officers for their dedication and hard work, without which, this report would not have been possible.

Respectfully submitted,

Director of Equalization  
Allegan County
