Number: 508
Approved: February 10, 2005, supersedes prior policy
Subject: FITNESS CENTER

1. **GENERAL**: Allegan County makes a Fitness Center available to all regular full-time, regular part-time and job-share employees. Employees may join the Fitness Center along with one additional member, with the exception that no children under the age of eighteen (18) will be allowed to utilize the facility. Fitness Center application packets, rules and waivers are available in the Human Resources Department.

2. **COST**: The cost of using the facility is ten dollars (\$10) a month for county employees, and is paid through a payroll deduction. This monthly fee also includes one additional member. The membership shall continue until the employee cancels with a thirty (30) day advance notice. If the employee and spouse work for the County, the ten dollar (\$10) membership fee would include both.

3. **WAIVER & RULES**: All Fitness Center members and additional members must sign a waiver acknowledging they understand and accept the inherent risks involved in using the Center and that they have read the rules and regulations for using the facility.
