COVID-19 Testing Offered at Intercare Pullman Location

(Allegan, MI)— Have you experienced barriers to getting tested for COVID-19? Allegan County Health Department (ACHD) in partnership with Intercare Pullman is offering drive-thru COVID-19 testing on Tuesdays and Thursdays from 1:00pm to 4:00pm. If an individual has experienced challenges in being tested and are experiencing symptoms related to COVID-19, they can call the ACHD COVID-19 Hotline at 269-686-4546 or their medical provider to be screened. Drive thru testing is located at 5498 109th Ave, Pullman, MI 49450.

Symptoms related to COVID-19 include fever, chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea.

If you have health insurance, please bring your card to the testing site. However, insurance is not required for testing. If you do not have insurance there will be no cost for the test.

Testing locations are available at www.michigan.gov/coronavirustest. For questions or to be screened, please call 269-686-4546. Our hotline is available Monday through Friday from 8:00am to 5:00pm. Messages received outside of hours, including weekends and holidays, will be returned the next business day.
