Dear Mr. Schnepf:

Thank you for submitting the Allegan County 2021 Hazard Mitigation Plan Update for our review. The plan was reviewed based on the local plan criteria contained in 44 CFR Part 201, as authorized by the Disaster Mitigation Act of 2000. The plan met the required criteria for a multi-jurisdiction local hazard mitigation plan. Formal approval of this plan is contingent upon the adoption by the local participating jurisdictions of this plan. Once FEMA Region 5 receives documentation of adoption from the local participating jurisdictions, we will send a letter of official approval to your office.

We look forward to receiving the adoption documentation and completing the approval process for the Allegan County 2021 Hazard Mitigation Plan Update.
