The Allegan County Drain Commissioner will hold a Day of Review of Apportionments and Review of Drainage District Boundaries on the above date, time, and location.

The Day of Review is an opportunity to review the tentative apportionments of benefit for each parcel and municipality within the Drainage District. A map of the proposed Drainage District boundary revisions can be found enclosed with this notice and on the Drain Commissioner's website at: cms.allegancounty.org/sites/Office/Drain/SitePages/Home.aspx

The Drain Commissioner, engineers and/or other staff members will be available to assist individuals throughout the day and make revisions to the apportionments where necessary. There is no need to schedule an appointment for a specific time on the Day of Review. The computation of costs for the Drain will also be available at the Day of Review. Drain assessments are collected in the same manner as property taxes and will appear on your winter tax bill.
