The Allegan County Drain Commissioner will hold a Day of Review of Drainage District Boundaries and Apportionments on the above date, time, and location. The Day of Review is an opportunity to review the tentative Secluded Acres Drain Drainage District boundaries and the apportionments of benefit for each parcel and municipality within the Drainage District. A map of the proposed Drainage District boundary revisions can be found enclosed with this notice and on the Allegan County website at: <http://cms.allegancounty.org/sites/Office/Drain/>.

The Drain Commissioner, engineers, and/or other staff members will be available to assist individuals throughout the day and make revisions where necessary. There is no need to schedule an appointment for a specific time on the Day of Review. The computation of costs for the Drain will also be available at the Day of Review. Drain assessments are collected in the same manner as property taxes and will appear on your winter tax bill. If drain assessments are being collected for more than one (1) year, you may pay the assessment in full with any interest to date at any time and avoid further interest charges.

Comments on the apportionment of benefits may be submitted to the Drain Commissioner in writing before the date of the Day of Review to the Allegan County Drain Commissioner at 113 Chestnut Street, Allegan, Michigan 49010 or to Drain@allegancounty.org, or comments may be submitted in writing or verbally at the Day of Review.
